

# EAST MILL – RESIDENTIAL CONVERSION

EXISTING PHOTOS

## OUR VISION

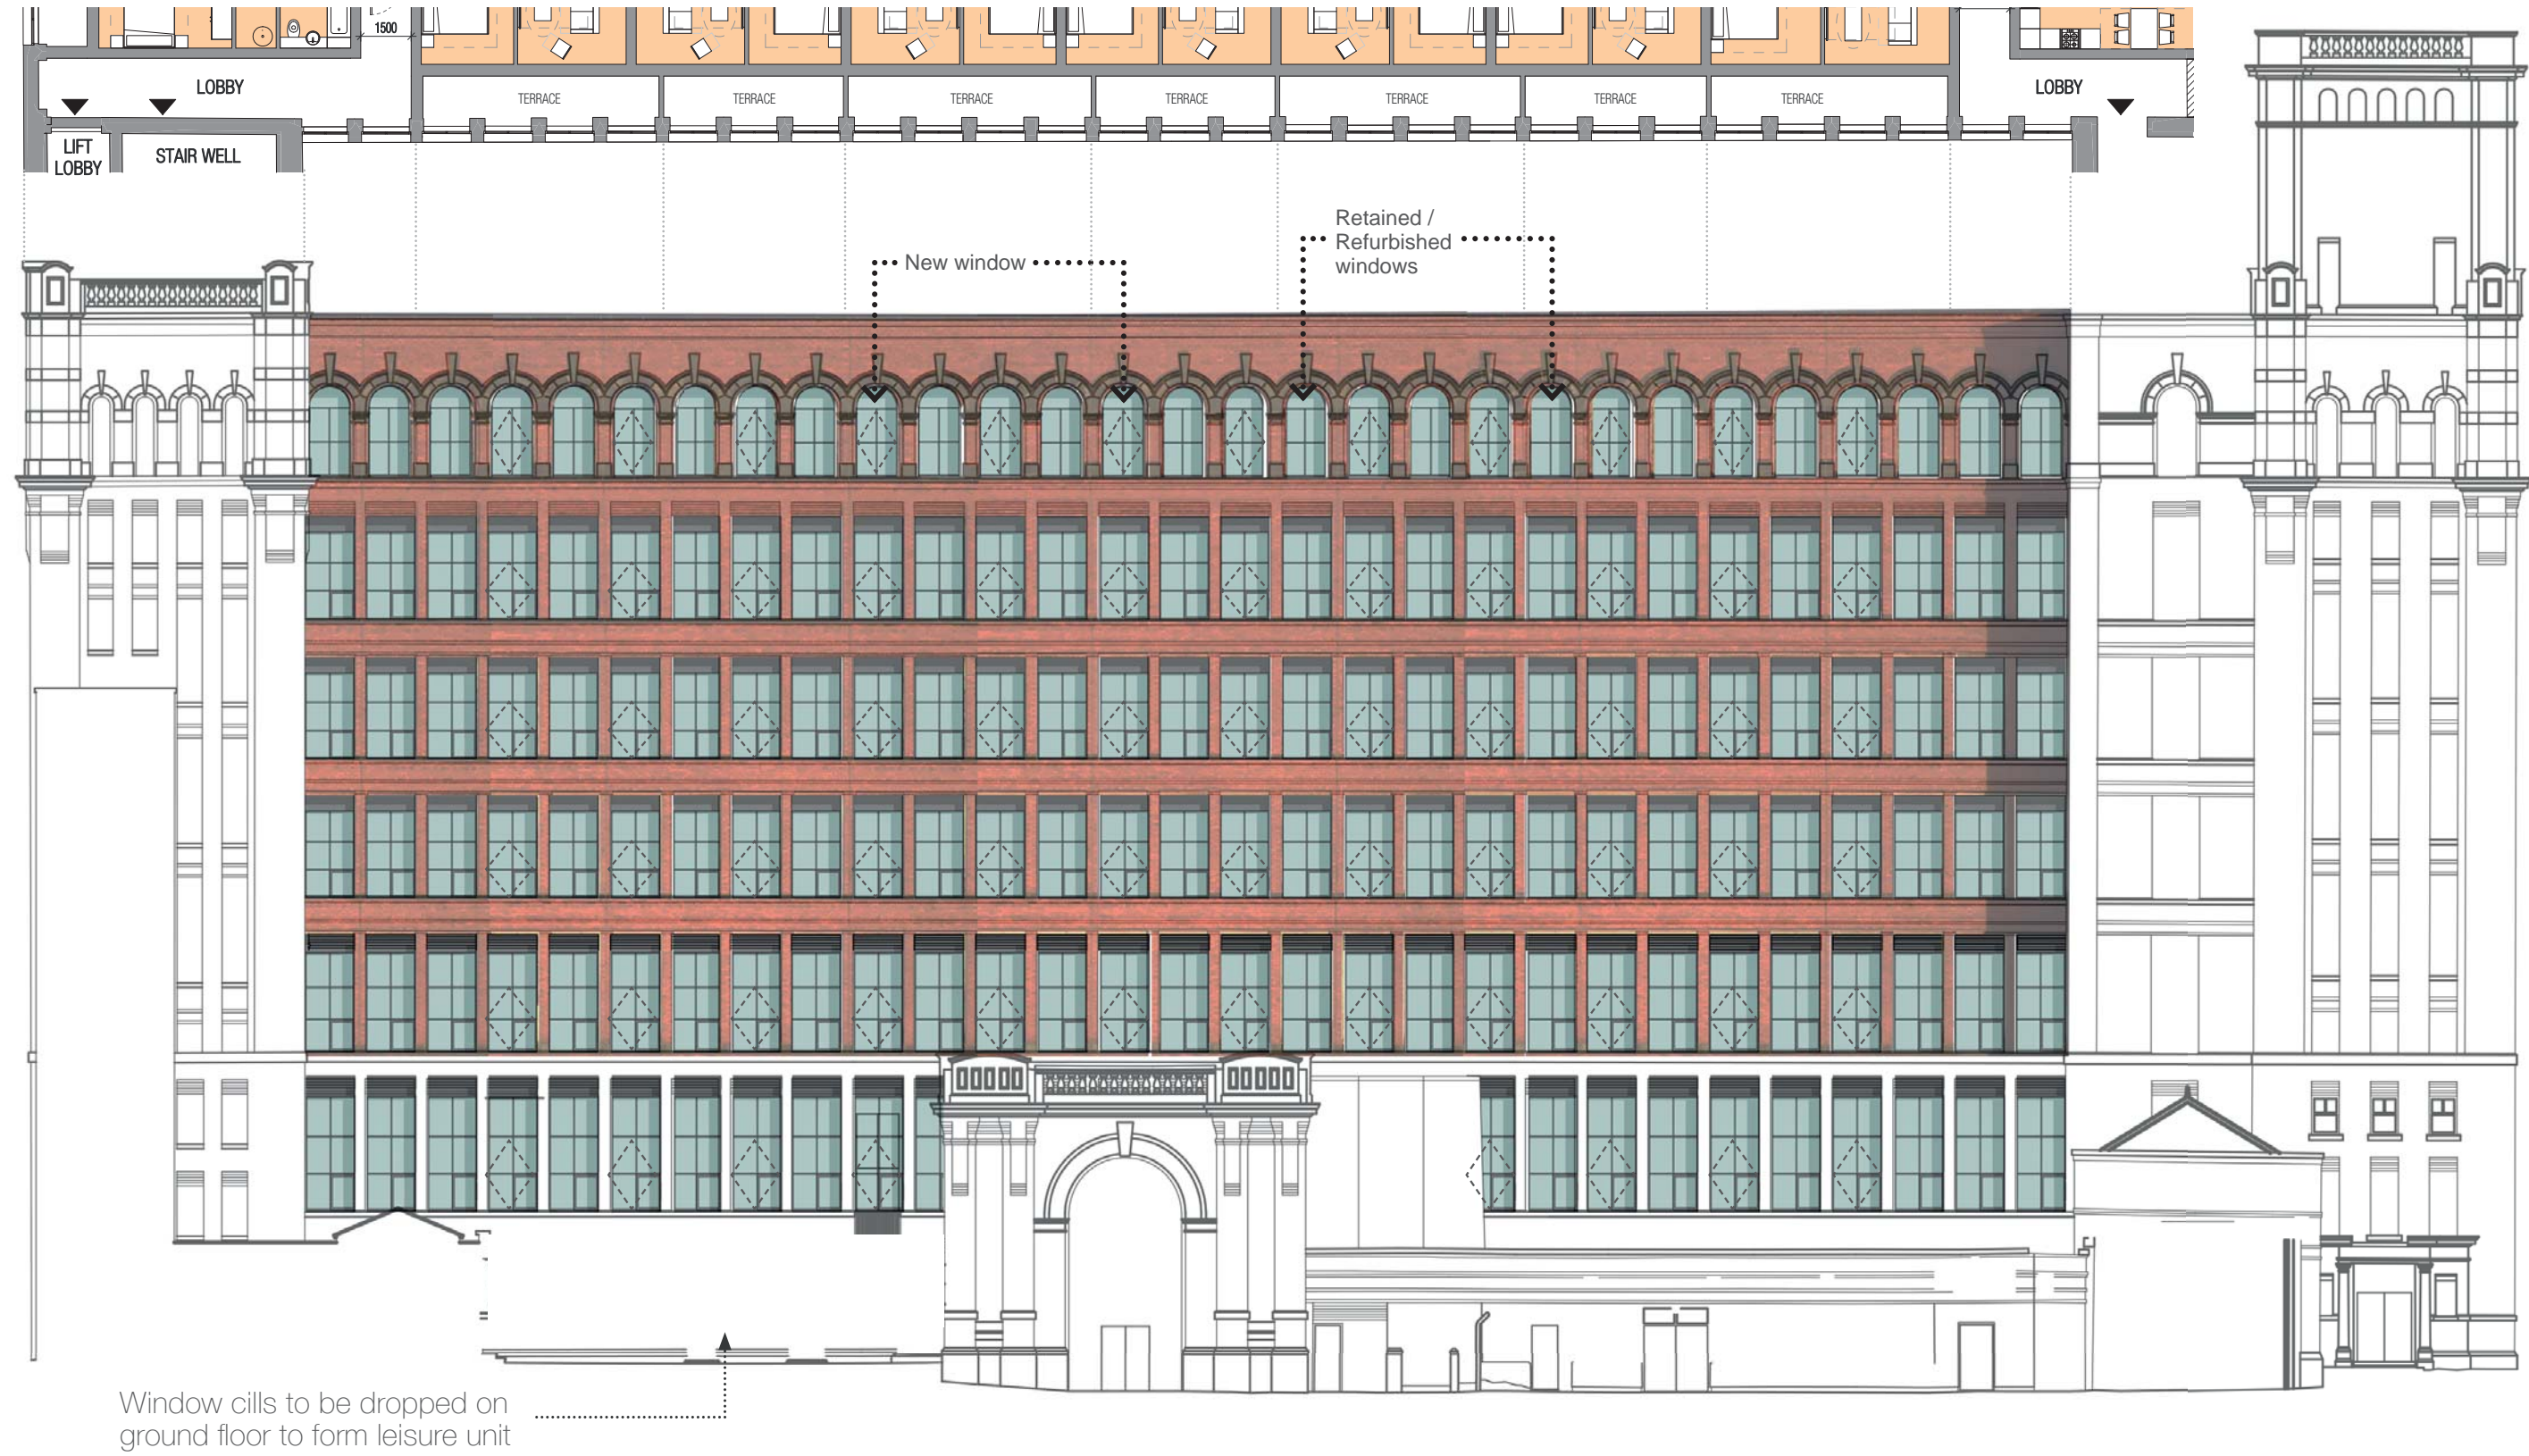

- Breath new life into East Mill through conversion to residential use.
- Retain existing windows and refurbish / repair where possible to match the existing windows.
- Form internal amenity for residents with terrace areas as 'winter gardens' to maintain external appearance of East Mill.
- Create light and airy central atrium.
- Create ground floor leisure use, residents gym and amenity spaces.
- Dedicated residents parking provided at ground floor.
